Pocche, June 5, 1872. H. M. BARNES.

**FROM THE SOUTH.**—We learn from Ed A. Dolan, just returned from Star, San Francisco and Wah-Wah Districts, that Gen. Connor is about erecting a quartz mill on Beaver River, four miles from Star. The ledges at Star look well. Christman Bros., in San Francisco District, are taking out large quantities of ore, and will soon begin the erection of a large mill there. Gen. Connor's saw mill at Wah-Wah, 60 miles from Pocche, is in good order and turning out 6,000 feet of lumber per day.

**FOR ST. THOMAS.**—Indian Agent Ingalls has so far recovered from his late illness as to be able to enter actively upon his duties in the field. He will leave in a day or two for St. Thomas, and will visit Hiko, Pahranagat Valley, St. George and Kanab, and will be accompanied by Colonel Isaac Jennings, a gentleman of years experience among the "noble red men" of the forest. We sincerely hope that his mission among the Indians in those localities will result in good to the settlers.

The contract for the mason work of the Floral mill was yesterday awarded to Andy Snodgrass. It will require about 1,000 perch of stone. Mr. Snodgrass has also taken a contract to erect a stone building for Clute & Young, on Meadow Valley street, which he will commence to-day. This building will have a frontage of 33 feet by a depth of 100, and will be a fine ornament to that portion of the town.

**TRANSFER HURT.**—A teamster, whose name we did not learn, engaged in hauling ore from the Pocche mine to Bullionville, fell from his wagon yesterday, the wagon passing over his foot and crushing it very badly, so that it may have to be amputated. He narrowly escaped being run over by the wagon, in which case he would have been crushed to death.

**MORE CANDIDATES.**—C. Knight, at present Justice of the Peace in Pocche, is announced in to-day's paper as a candidate for County Clerk, subject to the decision of the Liberal Republican and Democratic County Convention. James W. Wright submits his claims to the Republican County Convention for Assessor.

**STATE BANK OF NEVADA.**—The annual election for a Board of Directors of this institution was held yesterday, and Messrs. J. W. Wright, Barnum W. Field, W. H. Henderson, John R. Wilson, C. Weidhold, James Finlayson and John P. Kelley were elected. The term of office of the new Board will commence on the 1st prox.

**NARROW ESCAPE.**—Whilst two strangers employed by P. Felsenthal were stacking up flour last evening in the store, the sacks fell, burying one and partially covering the other. They were soon rescued, when one was found to be uninjured, and the other hurt pretty badly. He immediately had a physician's care. It was a narrow escape for both.

**TO-NIGHT.**—We see by the Review of last evening that W. W. Bishop, Esq., will address the Grant Club this evening. Bishop is one of the heaviest guns the Republicans have, and those of that faith who need to be "enthused" had better hear him. The Review says he will reply to Fitch.

**DELAYED.**—The Salt Lake stage due in Pocche yesterday morning did not arrive until 6 p. m., owing to the stage meeting with an accident in breaking the pole, which occurred some 25 miles from Pocche. The passengers and mail were brought in in a dead-end wagon.

**QUICK TIME.**—About a dozen large teams arrived in town yesterday from Tonno, having only been 14 days on the road, with goods consigned to P. Felsenthal, Jacobs & Fulton, J. J. Halpin & Co. and others. A large quantity of coal has been received by all the above firms, and will be sold cheap.

**INJUNCTION SUIT.**—The injunction suit against the County Commissioner to restrain them from proceeding further with the contract already let to O'Connor for re-plastering the Court House commenced yesterday afternoon in the District Court.

**ATTEND TO YOUR TEETH.**—Don't wait until they ache and then in language of regret say you would give most anything to have them. Go at once to Dr. Nichols, Main street, and avoid sleepless nights. Have your stock of patience and, what nature intended, your teeth. se8

**CIRCULATING LIBRARY.**—Folk & Levin on Main street have just received the latest and best publications at their extensive circulating library, and they offer to the public at 25 cents per volume. Call and see them.

**Don't Go.**—Col. Thornton did go toureka on Tuesday morning, as stated by us yesterday. He changed his mind about the matter, and so remains with us.

**Cutting & Co.'s California Canned** fruits, Jellies and Jams are far superior to all other brands. For sale by all first-class grocers.

**LOUIS TARDON,** clerk of the Raymond Ely Company, arrived from San Francisco yesterday.

**FRUIT.**—Utah is becoming celebrated for the lusciousness of her fruits and the large quantities displayed in the markets of her principal towns at cheap rates. In Pocche we are occasionally afforded a treat of this kind, and just now we take pleasure in acknowledging the receipt of a box of very superior apples and peaches, the donation of Mrs. Jack Gilmer, and brought through from Salt Lake by Gilmer & Salisbury's stage.

**J. H. HENDERSON,** Agent for the Western Union Telegraph Company at Pocche, arrived here two days ago, and called on us yesterday. He says the line will be in working order in a very short time. The office will be at Bishop's Bros.' drug store.

**JNO. BAKER,** whose case was in Court two days, on a charge of assault and battery, was yesterday at 1 p. m. acquitted by the jury impealed to try the case.

**SO FAR SO GOOD.**—Sheriff Kane received a dispatch yesterday from Deputy Condon, announcing his safe arrival at Hamilton with Courtney.

**HON. THOMAS FITCH** will leave by this morning's stage for Hamilton. He will proceed thence to the railroad and return to Salt Lake.

A pleasant hour may be passed at Clancy's Saloon, where all the papers are kept on file for the use of patrons. se11
